

# Tabunka Free School Guide 2023

## < Arakawa • Suginami >

### ◆What is Tabunka Free School?

Children who have already graduated from junior high school in their home countries, or who are over the age of 15 when they came to Japan are usually not allowed to enter public junior high school. Tabunka Free School was established to support children who need to study Japanese language and wish to go to a Japanese high school. We offer opportunities to study Japanese and other subjects(English and Math) as well as a place to belong to. We hope to provide thorough care so that students can realize their pull potential in Japanese society.

### Features

- We have certified Japanese language teachers who have experienced in teaching in public/private schools.
- Students can make friends under the multicultural atmosphere.
- We provide support including academic counseling, preparation for applying high school.

◆**Class schedule**    Tuesdays to Fridays    10 : 00 ~ 15 : 30

### ◆Curriculum

- Japanese        : Japanese lessons are designed for children of school ages. Classes are emphasized on developing reading & writing skills as well as ability of comprehension and thinking. Students will also practice writing essay and interview for high school entrance exam.
- Other subjects : English and Math classes are also provided for preparation of high school entrance exam.

### ◆Others

- There will be meetings with parents regarding to high school and career path as needed.
- If a student has to miss classes for long term, please inform school in advance.
